Ohio launched legalized online sports betting on Jan.

Gov.

The licensing process for the Ohio Casino Control Commission is continuing even after many operators have launched.

Ohio only recently joined the landscape of legalized gambling.

The first casino opened in 2012.

Coincidentally, the Ohio legislature chose to allow the placement of slot machine-like video lottery terminals at seven racetracks in the state.

A launch followed in January 2023.

Here's a rundown of everything you can find or will find soon in Ohio.

The online casino industry is a highly profitable business, with earnings expected to exceed \$100 billion in the next three to five years.

The growing popularity of online gaming through technological advances has contributed to the online casino sector's growth.

In contrast, online casinos have lower overhead costs without these additional expenses.

With the potential for customers from all over the globe, online casinos have the opportunity to grow a huge customer base.

Because they can be publicly traded on the stock exchange, online casinos allow investors to be a part of the industry and ultimately profit from its growth.
